

ARCHAEOLOGICAL
SERVICES
WYAS

Historic Building Recording

Archaeological Services provide professional and rapid building recording services to architects, archaeologists, developers, consultants and local authorities.

All work is completed to English Heritage standards by our highly experienced building recording team.

Building Recording services include:

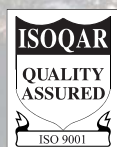

- Drawn and photographic recording
- Analysis and evaluation
- External survey using aerial photography mast
- Historical research
- Fieldwork and reporting guaranteed to meet local authority specifications
- Buildings of all periods and types

Survey data can be provided digitally in AutoCAD compatible formats to seamlessly integrate with other site plans.
